WEST FRUIT EXPORT

MISSION

The mission of West Fruit is the mission of exporting high-quality product in line with customer demands, sensitive to the environment and responsible for the society, is to be a company with international operations

VISION

The vision of West Fruit is to be a leading exporter in every point in the world, where health and quality are priorities, and to manage change.

PICKING

We pick high quality products from the fertile fields of the Mediterranean.

CONTROL

The products picked are subjected to quality control.
Packaging

PACKAGING

We prepare the checked products for shipment after careful packaging.

SHIPMENT

The products are loaded on vehicles to deliver them to you without losing their freshness.

West Fruit, which has more than 7 facilities spread throughout Turkey, aims to export the highest quality by collaborating with experienced professionals.
